Re: Docket No. 2008-0274 – Decoupling Investigation
Submission of Table of Authorities and
Corrected Table of Contents for HECO Companies' Opening Brief

Dear Commissioners:

Hawaiian Electric Company, Inc., Hawaii Electric Light Company, Inc. and Maui Electric Company, Limited (collectively, the "HECO Companies") hereby submit (1) a Table of Authorities, and (2) a corrected Table of Contents, applicable to the Opening Brief of Hawaiian Electric Company, Inc., Hawaii Electric Light Company, Inc., and Maui Electric Company, Limited, filed September 8, 2009 in the instant docket ("Opening Brief").

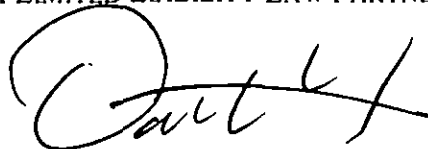

The Table of Authorities is being submitted as a result of its inadvertent omission from the Opening Brief. In addition, the original of the Opening Brief (and possibly some of its copies) filed with the Commission inadvertently included a table of contents generated in connection with an earlier draft of the brief that does not reflect the page numbering in the Opening Brief. The corrected Table of Contents submitted herewith accurately reflects the page numbering and corrected section headings in the HECO Companies' Opening Brief.

The Honorable Chairman and Members of the
Public Utilities Commission of the State of Hawaii
